Wynne Jones was a prominent Lady member of Llandrindod Wells Golf Club whose life was cut short due to cancer at the age of 36. To commemorate her short life her family have sponsored a Team golfing event to be held as part of the 88th Annual Open Weekend at Llandrindod Wells Golf Club. This has become a popular event which is now contested every year. We cordially invite Gents and Ladies golfers to enter this competition and make it a success as part of the Club's Open Weekend.
