Lifestyle Member

You want to be a member, but are worried about getting value for your money...? Lifestyle Membership allows you to control the 'value for money' you receive for your membership.
Following the initial fee, you dictate how much you spend by how much you play.

Lifestyle membership is open to beginners and experienced players alike. This membership is basically a "Pay and Play" system which allows you to play social golf whenever you want—midweek, weekends and Bank Holidays.
(You will not be able to qualify for an official CONGU)

This is how it works:

x12 vouchers entitling you to 12 rounds/games of golf.
Thereafter, each additional game will cost you:

£10.00 (April 1st to October 31st)

£5.00 (Nov 1st to December 31st)

This compares with the normal 2017 green fees of £30 mid-week and £35 at weekends and on Bank holidays.

Normal green fee for Nov—Dec is £15.
