

FOR YOUR OWN SAFETY AND THE SAFETY OF OTHERS, PLEASE BE ADVISED:

FOG & LIGHTNING: In the event of an electrical storm, golfers should suspend play immediately & take appropriate action. (Rule 5-7a applies).

Shelters do not provide adequate protection from lightning.

Do not continue play in fog/poor visibility, when you cannot see the clear distance of your maximum length shot.

GREENS STAFF: Should have priority at all times.

Players should always alert greens staff nearby or ahead when they are about to make a stroke that might endanger them and wait for staff to move out of range.

THE COURSE, ITS STEPS AND SURFACES may be slippery when damp or wet. Golfers must ensure to wear appropriate footwear to meet the prevailing conditions. Wherever possible, keep to covered areas of Footpaths & Steps. Take care on steep banks and undulations.

BUGGIES: To ensure the safety of all golf course users, buggy drivers are required to comply with the Club's Buggy Policy and follow designated buggy routes at all times. Take particular care on slopes.

DEEP WATER: There are several ponds across the course. Players are advised not to attempt to retrieve golf balls from ponds.

Players enter water hazards at their own risk.

BLIND SHOTS: Several holes on the course have blind shots, and some holes have public footpaths adjacent to them. It is the player's responsibility to ensure that the way ahead is clear before playing.

We have bells in use on 5 holes. Please see scorecard.

FIRST AID: Assistance is available in the Clubhouse, where there is a Defibrillator and First Aid boxes.

ALL ACCIDENTS MUST BE REPORTED TO THE CLUB OFFICE

PLAYERS ARE REMINDED OF THE NEED TO SHOUT "FORE!" IF YOU CANNOT SEE THE FULL RANGE OF ANY WAYWARD SHOT ONTO ADJACENT FAIRWAYS

- Players should not play until the players in front are out of range.
- Players should ensure that no one is standing close by or in a position to be hit by the club, the ball or any stones, pebbles, twigs or the like when they make a stroke or practice swing.

If a player plays a ball in a direction where there is a danger of hitting someone, they should immediately shout a warning. The traditional word of warning in such situations is "FORE!"

- On hearing "FORE!" - Crouch, cover your head with your arms and count to 10.

You are advised to carry a mobile phone to summon assistance in an emergency.
